*Please select the geographic locations you would like to be placed at by placing an X in all the corresponding selection boxes. If you are only able to be located in one geographical area, then you will have only one X.

Remember to also go into the D&D Digital website and rank the choices there as part of the matching process. The D&D code numbers have been provided on the sheet to assist you in ranking your choices on the D&D website. The geographic locations will be listed on the D&D Digital website exactly as they are listed here.

Checklist:

- Print document.
- Put your name on the document
- Select all geographic locations you could be placed with an X in the selection box.
- Scan document
- Attach as a supplement to your DICAS application.
