Say Thank You!

During this rotation, someone has "filled your bucket" by words or actions. These bucket fillers have helped you learn and supported your professional growth. Bucket fillers could be a department employee, an Aramark manager or employee, someone from another discipline in the hospital, or even, fellow interns. Please express your appreciation by writing a thank you note or sending a bucket drop to them.

Identify below your bucket filler and how they filled your bucket during this rotation. *
